**Re: Case of COVID-19 at PACE**

Dear families and staff:

The well-being of our students and staff is our top priority. With that in mind, we are letting you know that Peterborough Public Health (PPH) has notified us of a case of COVID-19 connected to our school. The identity of the individual is protected by privacy legislation and will not be shared. We wish them a full and speedy recovery.

**On behalf of Peterborough Public Health, we have notified all identified contacts with a separate notice to advise them of next steps.**

Our school remains open, and as always, we continue to follow all public health and provincial recommendations, including thorough cleaning and disinfecting of all areas; frequent and proper handwashing by everyone in the building; wearing masks; maintaining physical distancing to the fullest extent possible, and following any other steps directed by Peterborough Public Health.

We continue to ask all students and staff to complete the daily self-assessment for symptoms before arriving at school: <https://covid-19.ontario.ca/school-screening> and stay at home if you are ill.
